

## MAJOR PRODUCT CHANGES

## OVERVIEW

The 2025 Super Duty® transitions to a more efficient and simplified offering strategy. Standard content, options, and packages have been significantly updated versus prior model years. Ford Co-Pilot360® Technology and 360-Degree Cameras are available together across Trims. The 6.8L gas engine is standard on XL, XLT and Lariat. Beginning at King Ranch®, the 7.3L gas becomes the standard engine. 6.7L Power Stroke® diesel remains an option for all Trims. LED lamps are available to all Trims; included in STX and XLT Black packages and standard Lariat/King Ranch/Platinum. Wheel upgrade options are associated with appearance packages. 4x4 is standard beginning at XLT Trim.

		Please see Standard Equipment pages for more details.

<sup>1</sup> Wi-Fi hotspot includes wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the trial subscription period for remote features. To activate, go to [www.att.com/ford](http://www.att.com/ford)

<sup>2</sup> FordPass® Connect (optional on select vehicles), the Ford Pass App., and Complimentary Connected Services are required for remote features (see FordPass® Terms for details). Connected Service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected services excludes Wi-Fi hotspot.

<sup>3</sup> Navigation services require SYNC® 4 and FordPass® Connect (optional on select vehicles), complimentary connect service and the FordPass® app (see FordPass® Terms for details). Eligible vehicles receive a complimentary 1-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass® member account. If not subscribed by the end of the complimentary period, the connected navigation service will revert to a moving-map and active routing will no longer be available.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass® App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

#### Product Changes and Features Availability

<sup>1</sup> Navigation services require SYNC®4 and FordPass® Connect (optional on select vehicles), complimentary connect service and the FordPass® app (see FordPass® Terms for details). Eligible vehicles receive a complimentary 1-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass® member account. If not subscribed by the end of the complimentary period, the connected navigation service will revert to a moving-map and active routing will no longer be available.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass® App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

<sup>2</sup> Wi-Fi hotspot includes wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the trial subscription period for remote features. To activate, go to [www.att.com/ford](http://www.att.com/ford).

<sup>3</sup> FordPass® Connect (optional on select vehicles), the Ford Pass App., and Complimentary Connected Services are required for remote features (see FordPass® Terms for details). Connected Service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected services excludes Wi-Fi hotspot

- SYNC 4 with Enhanced Voice Recognition
  - 12" LCD Capacitive Touchscreen with Swipe Capability
  - Information On Demand Panel
  - Wireless Phone Connection
  - Cloud Connected
  - AppLink w/ App Catalog
  - 911 Assist
  - Apple CarPlay and Android Auto Compatibility
  - Digital Owner's Manual
  - Conversational Voice Command Recognition
  - Connected Navigation<sup>1</sup>

<sup>1</sup> Navigation services require SYNC®4 and FordPass® Connect (optional on select vehicles), complimentary connect service and the FordPass® app (see FordPass® Terms for details). Eligible vehicles receive a complimentary 1-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass® member account. If not subscribed by the end of the complimentary period, the connected navigation service will revert to a moving-map and active routing will no longer be available.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass® App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

★ = New for this model year

**Requires:**

- 6.8L Gas Engine (99A)

**Includes:**

- Hardened Engine Intake Valves and Valve Seats
- Bi-Fuel manifold

**NOTE:** This package does not include CNG/Propane fuel tanks, lines, etc. Vehicle will be equipped w/the standard factory gasoline fuel system. Additional equipment combined w/Certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/Propane fueled vehicle. See Alternative Fuel Buyers Guide: [www.ford.com/altfuelbuyersguide](http://www.ford.com/altfuelbuyersguide)

**Ford Motor Company does not provide an exhaust or evaporative emissions certificate w/this option when converted to use CNG or Propane fuel. Ford does not represent that a vehicle converted to use CNG or Propane will comply w/all applicable U.S. or Canadian safety standards. It is the responsibility of the final stage manufacturer (body-builder, installer, alterer or subsequent stage manufacturer) to determine that any vehicle converted to use CNG or Propane complies w/U.S. Federal, California or Canadian exhaust and evaporative emission requirements, Federal fuel economy standards, U.S. and Canadian safety standards, labeling and any other requirements**

## PACKAGED OPTIONS/EMISSIONS

**5<sup>TH</sup> WHEEL/GOOSENECK HITCH PREP PACKAGE  
(53W)****Availability:**

- Optional on XL, XLT, Lariat, King Ranch® and Platinum
- Standard on F-450

**Not available with:**

- Bed Mat (85M)
- Drop-in Bedliner (85L)
- Pickup Box Delete (66D)

**Includes:**

- Five (5) pickup bed attachment points w/plugs
- One (1) frame under-bed cross member
- One (1) integrated 7-pin connector on driver's side pickup bed wall

**5<sup>th</sup> Wheel Hitch Compatibility:**

- The 5<sup>th</sup> Wheel/Gooseneck Prep Package (53W) is compatible w/the factory orderable 5<sup>th</sup> Wheel Hitch Kits (15K and 15L) and Dealer-installed Ford Accessories 5<sup>th</sup> Wheel Hitch kit by Reese – part #BC3Z-19D520-A (8 ft. box only). The prep package is also compatible w/Reese Signature Series 5<sup>th</sup> wheel hitch kits updated w/a new Leg Service Kit – Part# BC3Z-A00A25-A (8 ft. box only)
- The 5<sup>th</sup> Wheel Hitch Kit-15K, 5<sup>th</sup> Wheel Hitch Kit-15L and Dealer-installed Ford Accessories 5<sup>th</sup> Wheel Hitch kit by Reese – part # BC3Z-19D520-A is not released to the short box (6.75 ft. box)

**NOTE:** *The short pickup box provides less clearance between the cab and 5<sup>th</sup> wheel trailer compared to "long box" pickups. The receiver centerline of the hitch should be mounted at least two inches forward from the rear-axle of the truck chassis. When selecting a trailer and tow vehicle, it's critical that this combination provide clearance between the cab and tow vehicle for turns up to and including 90 degrees. Failure to follow this recommendation could result in the trailer contacting the cab of the tow vehicle during tight turns.*

**Gooseneck Hitch Compatibility:**

- The 5<sup>th</sup> Wheel/Gooseneck Prep Package (53W) is compatible only w/the factory orderable Gooseneck Hitch Kit-15J, Gooseneck Dual Hitch Kit-15E or Dealer-installed Ford Customer Accessories Gooseneck hitch by Reese – part # BC3Z-19F503-A (8 ft. box and 6.75 ft. box)

**Vehicle Special Order (VSO)**

FLEET ONLY. See [www.fmcdeler.com](http://www.fmcdeler.com) for current VSO Order Guide. This live guide includes VSO option codes, descriptions and pricing. Email [vsomail@ford.com](mailto:vsomail@ford.com) or call 1.800.34.FLEET, menu 4 w/any VSO questions you may have.

**High Sulfur Diesel Fuel Usage**

Vehicles for intended usage w/diesel fuel sulfur content greater than 15ppm require Euro II (>500ppm sulfur) or Euro III (<500ppm sulfur) packages to avoid engine functionality issues. Packages are available through Export Order Guide w/the appropriate US EPA exemption or verifiable export usage.

**NOTE:** Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.

**NOTE:** JP8 fuel is supported and compatible w/these packages

**Leaded Fuel Capable**

Package is available through Export Order Guide w/the appropriate US EPA exemption or verifiable market usage.

**NOTE:** Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.

**European Certified Headlamps**

European certified headlamp package is available for export usage through Export Order Guide.

**NOTE:** Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.
